YTT LIBRARY

The computer program that is used in the YTT Library was accidentally deleted on Nov 20th. All information about which books were checked out was erased. The Library is relying on the students and their families to return all books they checked out. The Library would like to know where the book "Titanic 2" (comic), copy #1 is. Whoever has this book, please return the book to the school office or Library. Thank you for your cooperation. For any questions, please contact our Librarian, Mrs. Aliza Olswang at aolswang@jdbyytt.org or 773-465-8889, ext 682.

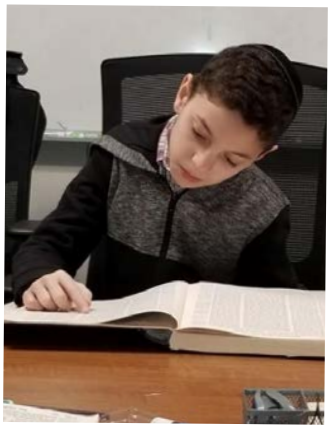
7TH GEMORAH QUIZZES

Rabbi Miller's talmidim excelling in their gemorah quiz!



7TH TOURNAMENTS IN RABBI KLETENIK'S 7TH GRADE

Rabbi Kletenik's 7th grade class is full of excitement. For example: Torah Baseball and Tournaments. Simcha Meystel led his team to victory in the latest tournament. They came back from six points behind another team. In the last round, they were 3 points away with 47 out of 50, with Simcha called up along with three classmates from other teams. After two people got out and one remaining, his team achieved their goal - to get fifty points first. His teammates Akiva Montrose and Yechiel Tenenbaum played major roles in the victory.

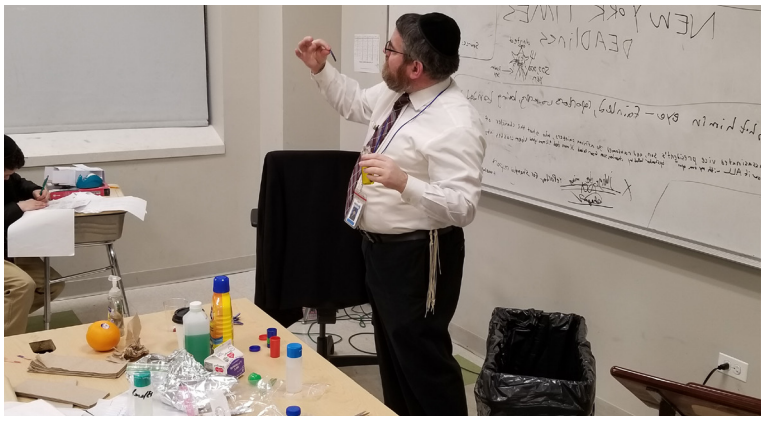
PRE1A RABBI WECHSLER'S CLASS LEARNS THE MELACHA OF MERAKEID

4TH SUKKAH FAIR

What a splendid sukkah fair it was! Rated by the hundreds of attendees as "THE BEST EVER!" for originality and display, the fair was beyond anyone's expectations! From a top of camels, boats, double headers and hay stacks, the boys really showed how well they understood the mishnayos their rebbeim taught them!

2ND 2ND GRADE BOYS ACTING OUT THE MILCHAMAH BETWEEN THE 4 AND 5 KINGS!

7TH RABBI KLAGSBRUN'S 7TH GRADES LEARNED ABOUT ACIDS AND BASES



CONNECTION CORNER

The Yidden in Mitzrayim were influenced by their surroundings and fell to very low levels. What zechus enabled them to get redeemed? Not something anyone would guess on their own! It wasn't Shabbos, teffilin, milah or even kibbud av v'eim - it was that they stayed connected to the ideals of what it means to be a Yid! They talked and dressed like a Yid is supposed to. Despite the many bad things they did, because they showed that they wished to remain connected to what they represent and were proud of who they were, they remained worthy of being taken out. Sometimes we fall - but as long as we always remember who we are and where and what we are connected to, we are guaranteed to persevere and flourish!

NEW STUDENT APPLICATIONS

JDBY-YTT announces the opening of Nursery and new student applications for the 2019-20 school year. We look forward to being a partner in your child's חינוך הבנים והבנות על טהרת הקודש. Nursery applicants should be 4 years old by November 30, 2019. The deadline for Nursery applications has been changed to **January 31**. Please submit your application as soon as possible. YTT Pre-1A Registration for the 2019-20 school year is closed. Any further applications for new children *who are not currently in the JDBY-YTT nursery* will be placed on a waiting list. For more information, please call 773-465-8889 x670, email applications@jdbyytt.org or visit jdbyytt.org/applications.

YTT PARKING REMINDER

The businesses located in the lot behind Citibank and the former CVS Pharmacy asked us to inform all YTT parents that they are not to park in the Westgate Shopping Center parking lot for dropping off or picking up children. This includes even temporary parking for a few minutes to drop off or pick up your children on weekends. The lot is private property and solely for the use of the adjacent stores customers. They are contracted with Lincoln Towing and will be towing cars effective immediately when they see people leaving the shopping center. The towing fee is $175.00 per car. They are not responsible for any towing that occurs.

WELCOME TO STC COORDINATOR

We would like to welcome Rabbi Sammy Joseph to our Business Office Team in the newly created position of STC Program Coordinator. He comes with an in-depth knowledge of the program and will be the point of contact for all STC-related questions and communication. Under his leadership, JDBY-YTT will iy"H be able to increase the amount of scholarships awarded for the 2019-2020 school year, enabling more families to be able to benefit from this incredible program. You can reach Rabbi Joseph at (773) 465-8889 ext. 680, or stc@jdbyytt.org.

NURSE'S NOTES:

INFECTION PREVENTION

During this winter season, we want to remind parents and staff that the best treatment for contagious diseases is prevention!

- HANDWASHING before eating, after using the bathroom, coughing, sneezing and playing in the dirt or playground is vital to prevent spreading germs.
- FEVER- Students and staff who are sick need to stay home. This includes anyone with fever (100.5 degrees or greater). Do not give your child medicine like Tylenol or ibuprofen in the morning and then send them to school. They need to be fever free for 24 hours before returning to school.
- VOMITING- Children need to stay at home until 24 hours after the last episode
- RASH- Since rash is often a symptom for a contagious disease, contact your doctor if your child has a new onset of unexplained rash. Do not send a child to school with a rash of unknown and possible infectious nature. This applies to staff as well, of course.

If a student or staff member has been exposed to Measles, Mumps, Rubella, Chicken Pox, Pertussis, etc., he/she may not attend school until cleared by a doctor. Parents and staff must notify the school if a member of the household has any of the above illnesses even if that family member is not a JDBY-YTT student.

If you have any questions, call our school nurse, Mrs. Chaya Siegal, 773-484-7035.

Focus On... Focusing

Part 4 of 4

Here are a few strategies to help us regain our "focus" –

1. Do Nothing- At least once a day, let your brain take a break. Don't engage in any activity and don't try to figure anything out. Just stare into the distance and let your mind rest.

2. Read and Write...with Paper- Experts say that reading a book activates our brain power and strengthens the brain muscle. Similarly, writing something down internalizes it in our minds on a deeper level than typing.

3. To-Do List- Instead of letting our minds jump from one task to another, keep an eye on your list and don't move on until you are done with what you are up to.
