THE CHICAGO
DAF YOMI SPOTLIGHT

"The fact that my father and I are both learning the same thing and can talk in learning together is a great part of the inspiration."

- Yitzie Sommer
Finishing Shas for the 1st time

When I learned the Halacha-related Masechtos from the Av Beis Din, Harav Gedalia Dov Schwartz shlit"a, it felt like the Talmud was alive.

-Marc Sommer

I was getting up very early for conference calls with business partners in Europe, and I realized that if I could wake up that early for work, I could wake up that early to learn. Starting my day with the bracha of Torah learning reminds me of what is truly important in this world. Incorporating the lessons of Daf Yomi into my life has been life-changing.
