URGENT ADVISORY

Several recent cases of COVID-19 in our community have been traced to out of state travel in particular from weddings and simchas. We very strongly urge that you DO NOT TRAVEL unless absolutely necessary, regardless of whether the destination is a "hot spot". It is also imperative that if you MUST attend a gathering you:
1. Wear a mask – especially in situations in which you will be less than 6 feet from others
2. Maintain at least 6 feet distance from others
As always, all JDBY-YTT Covid-19 policies and guidelines are subject to change. For any questions, please direct them to our Covid Hotline at 773-465-8889 x 665 or email covid@jdbyytt.org. For any medical or Covid-19 symptom related questions, please direct them to our Nurse Hotline at 773-465-8889 x 686.

MEDICAL QUESTIONS OR COVID SYMPTOMS

For any medical questions or questions regarding Covid symptoms, please call the nurse hotline at 773-465-8889 x686. Please do not call the Covid hotline.

COVID CONTACT TRACING

In addition to the measures that we are taking at school, you, the parents, have a crucial role in partnering to keep everyone safe. To streamline this process, Mrs. Elisheva Neuberger, who will be the on-site nurse at YTT, will also be the contact person for reporting COVID cases for ALL schools. It is imperative that you contact her at ext. 644 in either of these situations:
1. If an immediate family (household) member has tested positive for Covid-19.
2. If an immediate family (household) member is experiencing Covid-19 symptoms AND/OR has been in close contact with a person who has tested positive for Covid-19.
Depending on the specific circumstances, she will advise you regarding school attendance.

SELF-SCREENING QUESTIONNAIRE

Reminder: You will receive a daily text reminder to self-screen your child for Covid symptoms. By sending your child(ren) to school, you are acknowledging that you've screened them and that they do not have any of the symptoms.

CARPOOL REMINDER

Although we try to make the carpool process as smooth as possible, morning drop-off can sometimes get backed-up. Please do not block any intersections or make U-Turns because it affects traffic all around and creates a chillul Hashem. Thank you for your understanding and patience.
