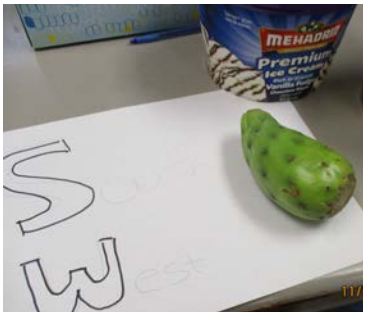
5TH GRADE SOCIAL STUDIES

Mrs. Kaplan's fifth grade had a party celebrating the girls' success on their last Social Studies test. The theme at the party was "The 5 Regions," and the girls brought food and goodies corresponding to each region. We look forward to continued academic excellence all around.



SAFER SCHOOL EVENING

We thank Mrs. Rachel Zimmerman MA LCPC, for delivering an informative session on Child Safety on Monday night. All mothers who attended benefitted from Mrs. Zimmerman's warm and open approach. Pointers of the Safety Kid® program were provided, and tips for healthy conversation were shared. The Safety Kid® training for students at JDBY from grades K-5 will take place, אי"ה, on December 17 and 19. We thank our Safety Mom volunteers for going through the training sessions and for coming to teach our children. Special thank you to Ms. Betsy Lazerow of JCFS for providing the service. Please note that the Safety Kid® curriculum was modified and tweaked to fit Joan Dachs Bais Yaakov standards. It has been approved by our Vaad HaChinuch.

Every girl received her ראש חדש folder and her watch keychain and the הכרת הטוב keychain for writing in their הכרת הטוב journal this past month. Mrs. Pam then shared insights and stories about the importance of benching from a bencher. The girls enjoyed using their creativity to decorate their own beautiful benchers. We look forward to the girls using their benchers this month so they could receive the next keychain for their collection. Thank you Mrs. Pam for organizing and running this fantastic activity.

1ST-2ND GRADE ROSH CHODESH ACTIVITY

Last ערב שבת, our כתות א'-ב' participated in an original and exciting game of dreidel! As חנוכה questions were answered, classes spun mega-sized dreidels and earned points for their team. JR LET'S G.O. INTERNATIONAL WITH G.O. ע"ט

On Monday, our talented G.O. heads transformed the lunchroom into an airport. The girls entered through a security checkpoint and took their seats on the plane. We look forward to a fun-filled year as we travel the globe with our G.O. heads Shaina Atlas, Bassy Irons, Yochi Malik, Adeena Mermelstein, Gitty Twerski and Leah Webster.

Dear Parents, עמו"ש

In response to the recent outbreak of measles in many Jewish communities around the world, and to keep our parents informed of our plan to keep our students safe and healthy, JDBY-YTT would like to take this opportunity to state our policies and procedures regarding immunization and prevention of sickness amongst our students and staff.

As in regard to all school policies, all regulations and decisions are determined, endorsed and maintained by our *Vaad Hachinuch*.

The following are the guidelines that have been established for our student body. Adherence to them is necessary in order for students to be able to remain in our school system:

1) All parents have an obligation to immunize their children, as not doing so can cause serious medical ramifications to their children and to those with whom they spend their time.
2) Any current parents who decline to immunize their child(ren) and want their child(ren) to remain a part of our school system must commit to adhere to the following safeguards:
   a) If there is *chas v'sholom* an outbreak of any contagious disease declared by the Cook County Board of Health, their child(ren) will immediately be sent home until it is determined safe for them to come back to school.
   b) The same would apply if any child within our school system or close-knit community becomes infected with any one of the infectious diseases.
   c) In the event that any child from a family who was not immunized was exposed to a person who was incubating an infectious disease, the parents of that child will commit to notify our school immediately, and the children from that family will need to remain at home until the school determines it safe for them to return to school.
3) For the upcoming school year (2019-20), JDBY-YTT will not accept any new families whose children do not have all immunization records on file at time of registration. **No exemptions of any kind will be accepted, unless medically related.**

The health and safety of our students are our primary concern. We appreciate your cooperation in this serious matter and are *mispallel* that we merit *Siyata D'Shmaya* in all that we do.
