Dear Parents, שיחיו

At Joan Dachs Bais Yaakov, we value parent-teacher communication. Parent-Teacher Conference Night is an important venue in order to accomplish this goal.

To accommodate the large number of parents, we will once again be having two conference nights this year, Wednesday, December 12 and Wednesday, December 19. This year parents may choose either night to conference with their children's teachers.

In 1st through 4th grade, appointments will be five minutes each and may be scheduled between the hours of **7:00-9:00 PM**. 5th through 8th grade appointments may be scheduled from 7:00-10:00 PM. Nursery and Kindergarten appointments are ten minute slots for each appointment and may be scheduled between 7:00-10:00 PM.

Nursery conferences will be held, א"ה, in the JDBY library, 3200 W. Peterson.

To make scheduling more efficient, please call one of the coordinators listed below. You may choose from any of these mothers, as they all have access to the schedule. The coordinator will then schedule the appointments for ALL OF YOUR children with all moros and teachers including the resource department! There is no need to call anyone else**.** Appointments may be made by calling the coordinators between Tuesday, November 27 and Tuesday, December 11. It would be in your best interest to phone your coordinator as early as possible, as back to back appointments will be scheduled on a first come first served basis. Please allow 5-10 minutes between classes.

Please do not call the school office on the day of conferences. NO ADDITIONAL APPOINTMENTS WILL BE SCHEDULED AT THAT TIME.

We look forward to sharing this important evening with you.

Focus On... Family

Chanukah licht is one of the most powerful and kedusha-filled mitzvos we have throughout the entire year. We are once again encouraging families to take advantage of this awesome opportunity by going **"Screen Free"** for the first 30 minutes after lighting candles. To help accomplish this, we will be distributing a **"Focus Box"** to families who commit to putting their cell phones away for that time. Our hope is that families will use this box to enhance their Chanukah and then continue using the box throughout the year. Simply keep the box by the front door and place your phone in it when you come home. You can keep it in there the rest of the night, or even for **just 30 minutes**.

The light of the Menorah is one of our guiding treasures, and our families are one of the most precious things we have. Let us make sure we are doing all that we can to experience the full potential of both.

There is no charge for the "Focus Box" and quantities are limited. Email us at ProjectFocusChicago@gmail.com or call us at 646.784.7266.
