2ND 1ST SIYUM FOR 2ND GRADE

מזל טוב to כתות ב' on completing their first פרק of חומש, 'פרק ו of פרשת נח. The girls enjoyed an exciting סיום on Monday. The girls are in the middle of making original תיבות that will be displayed in next week's TID BYTZ, אי"ה.
Last week, in honor of פרשת חיי שרה, כתות ב' made bracelets to remind us of the beautiful gifts רבקה received from אליעזר.

2ND BEAUTIFUL OOPS

Mrs. Becker's second grade class read the book Beautiful Oops! One of the book's messages is that everyone makes mistakes; it's a part of how we learn. We discussed some examples of inventions that came from mistakes. After reading, the girls participated in an Oops activity to encourage inventiveness, foster the great spirit of creativity, and make the best of a mistake. A special thank you to Miss Batsheva Berger and Mrs. Jan Goldman who visited our class and assisted with this lesson.

1ST GRADE SCIENCE

Mrs Dulin's first grade has been learning about plants in science. To conclude their unit, they conducted an experiment to see if they could grow new plants from garlic bulbs.

By using water instead of soil to grow their bulbs, the students were able to observe the new plant growth easily. The girls learned that new plants can be grown from seeds, bulbs, and even some stems! They look forward to taking their new plants home this week!

A special thanks to the Walder Science Center for our amazing hands on FOSS kits. We are excited to start our next unit on solids and liquids.

KESHET PARSHA PLAY

The students in Keshet Room 103 were thrilled to have all of the first and second grade girls come to their classroom to watch a skit on Parshas Chayei Sara.

NURSERY CORNER

THE NURSERY LEARNED THE LETTER ד AND HAD A דובי PARTY.

TEACHING THE WHOLE CHILD

In conjunction with our Health and Wellness Policy and our Safer Schools Program, we are once again offering our mothers an important opportunity.

א"ה, **this Monday night**, November 12, ד' כסלו, Mrs. Rachel Zimmerman, will present a Safety Kid® workshop for mothers. Find out the components of the program and the language that is used. This informative session will take place, א"ה, from 8:00-9:30 pm at JDBY this Monday night! We look forward to greeting you, א"ה, on November 12, as we partner together in our children's social and emotional development. Please see the attached flyer! For further information, please contact Morah Wainhaus at (773) 583-5329 ext. 401.

7TH עושים שיפוצים בעברית!

בהתאם לנושא השנה בבית ספר, כתה ז' עושה שיפוצים בעברית! למדנו הרבה מלים חשובות: (בנינים, קומות, מדרגות, מעלית, רעש, אבק, בלגן). גם כתבנו משפטים, ולכל משפט שהי' נכון הוספנו "סבריית שיפוצים" לבנין. איזה כיף!

In conjunction with the theme of the year, 7th grade is learning all about construction in עברית. Utilizing lego candy, our talented young ladies are "constructing" Hebrew sentences correctly.

6TH BAS MITZVA

On Monday morning, our 6th grade girls had a special brunch in honor of starting the 6th grade Bas Mitzva Program. Mrs. T. Steinmetz spoke beautifully about the chashivus of a Bas Mitzvah. Mrs. Kaufman shared some of the upcoming highlights of the Bas Mitzva Program with the girls, as well as the updated guidelines.

3RD S'MORE FUN IN 3RD GRADE

Last week the three third grades got together and participated in theme day. The classes were mixed and the girls moved from room to room completing different activities that matched our theme. It was so nice to see and work with girls from other classes and have s'more fun learning!

HAKORAS HATOV CORNER

- *Dear Morah Wainhaus, I would like to start out by saying thank you. Yesterday, my daughter's bus came very late. When she came home, I mentioned that she was probably very very hungry. She said that she was hungry but not starving. She went on to say that because the bus was very late you decided to give out danishes, pieces of cake, pastries, etc. Thank you for time and again treating our daughters like they are your daughters.*

  With much gratitude, Shifra Schreiber

- *Thank you so much for the time and effort put into the morning carpool drop off. The drop off is quick, smooth, calm and safe!! Esther Levovitz*

- *Just a quick note to thank you ALL for a super fantastic and successful Shabbaton. You thought of everything from the schedule down to the hostess gift! Everything was so organized which made the experience for the girls (and us at home!) most enjoyable. The girls walked away with not only loads of fun but so much inspiration as well... It was obvious (yet we probably only see the 1/2 of it), how much time, energy a effort went into every detail, and all during construction too! Thank you for a job well done (again and again!). The Hanhala at JDBY never ceases to amaze us! Anonymous*

- I just wanted to take this opportunity to thank you for a wonderful Junior High Shabbaton. Rivky had a blast. Mrs. Wainhaus encouraged me to peek into the cafeteria to watch the seventh grade learning. Mrs. Morgenstern had the entire class of 66 girls, בלי עין הרע, riveted,a sight not to be believed! The girls are really learning how to be flexible. The staff has been really amazing through the challenges of construction. May you all continue to have much hatzlacha! Debbie Cardash

- *Thank you for teaching what chesed and giving are really all about... On behalf of the hundreds of families in need whom we serve, we'd like to thank JDBY for raising funds on behalf of the Chicago Chesed Fund. Rabbi Yossi Fuerst*

KIWIKIDS REGISTRATION

Agudath Israel has announced that Kiwikids registration is now open for the 2018-19 school year. Although meals have been served since the beginning of the school year, registration was unable to open in August as in past years. Accordingly, registration will be for both the months which have elapsed, September and October, as well as for the duration of the school year. Please complete the registration process before before **Thursday, November 15th**, so your children can continue to be served lunch. Visit jdbyytt.org/kiwikids-registration for instructions on how to register online or to access the paper registration form. The Kiwikids program is run through Agudath Israel and all questions should be directed to them at kiwikids@agudathisrael-il.org or 773-279-8400.

ATT ASHER ESSAY AND ARTWORK CONTEST

The ATT proudly announces this year's Asher Essay & Judaic Artwork Contests for students, grades 3-12, of its affiliated schools. Established through the generosity of Helen & Norman Asher, the contests provide students the opportunity to demonstrate their creativity, ability to research Jewish topics, and to express themselves through writing/art. Deadline for art/essay submission is Thursday, January 31, 2019. See Essay & Judaic Artwork Contest Rules at www.att.org - Students or call 773-973-2828.

INK CARTRIDGE RECYCLING

JDBY and YTT Libraries are collecting used toner and ink cartridges for recycling. Please bring in your used toner and ink cartridge to either library. Funds received from recycling will benefit both libraries.

Focus Fact

Closeness counts. There is no substitute for genuine felt connection... Especially in today's tech-oriented environment, it is in the humanizing qualities of family and empathy, of a protected childhood rich in play, with sheltered time for reflection and conversation that closeness grows.
