STC CORNER

22-23 STC Applications

Please check your emails for communication from Big Shoulders!

Big Shoulders is actively reviewing STC applications and their associated uploads. They check every application, comment box and document. If everything checks out, you'll receive an email from "noreply@salesforce.com on Behalf Of SGO Application/Proc" or "sgoproc@bigshouldersfund.org" with the subject line, "Waitlist Confirmation: Child Name". That means you're done, and no further action is necessary.

If Big Shoulders has questions, they'll email you from one of the addresses listed above and their question will be in the body of the email. Please note their deadlines and be sure to answer the questions or submit whatever documentation they're requesting before the deadline.

This is a great opportunity to take care of any emails that may have come from Empower Illinois asking for anything as well.

If you have any questions, feel free to email stc@jdbyytt.org or call (773) 465-8889 ext. 680

YTT PARKING REMINDER

The businesses that own the parking lot located behind Citibank and the former CVS Pharmacy have asked us to inform all YTT parents that they are not to park in the Westgate Shopping Center parking lot when dropping off or picking up children. This includes even temporary parking for a few minutes to drop off or pick up your children on weekends. The lot is private property and solely for the use of the adjacent stores' customers. They are contracted with Lincoln Towing and will be towing cars effective immediately when they see people leaving the shopping center. The towing fee is $175.00 per car. They are not responsible for any towing that occurs.

BUS SAFEY TIPS

Please keep the following safety guidelines in mind when driving near school buses. We appreciate your partnership in keeping our students safe.
If you're driving behind a bus, allow a greater following distance than if you were driving behind a car. It will give you more time to stop once the yellow lights start flashing.
It is illegal in all 50 states to pass a school bus from either direction if it is stopped to load or unload children.
The area 10 feet around a school bus is the most dangerous for children; stop far enough back to allow them space to safely enter and exit the bus.
Be alert; children often are unpredictable, and they tend to ignore hazards and take risks.

Ink Cartridge Recycling

JDBY-YTT Libraries are collecting used ink or toner cartridges (brand name only) for recycling.

Please bring your used ink or toner cartridge to either school library.

Funds received from recycling will benefit both the JDBY and YTT libraries.
