TRIBUTE

The JDBY-YTT family is saddened by the petirah of Rabbi Micha Gruber, husband of Mrs. Baily Gruber. Mrs. Gruber was a beloved, dedicated Morah of our Pre-Nursery and, later, Kindergarten students for more than 35 years before her retirement. Her warmth and care created the foundation for learning and social development in her young students. May the entire family be comforted on their loss.

**A MESSAGE FROM THE VAAD
HARABBANIM OF TAG CHICAGO**

ה' אדר א' תשפ"ד
February 14, 2024

Dear Chicago Jewish Community,

Every Jewish community has essential institutions that ensure the healthy foundation and strong future of its inhabitants. For generations this list has been relatively the same; Yeshivas, shuls, schools, mikvaos, chesed organizations, and a few others. The world has evolved, however, and our generation has been introduced to the need to add one more institution to the list, a technology awareness and assistance organization.

The proper use of technology is widely seen as one of the main challenges of our generation. It has become increasingly clear that without implementing limitations and boundaries, technology can have a significantly detrimental impact on individuals, marriages and families in addition to the well being and development of our children.

We are grateful that our community has TAG Chicago to fill this need. Just in the last 2 years, TAG Chicago has helped filter 1300+ devices, has fielded well over 2000 consultations and sold hundreds of kosher phones. And this is just the beginning. TAG is currently working hard to expand its hours, services and awareness initiatives to serve our community even better.

Please take advantage of TAG Chicago's services, it is an indispensable resource to enhance and elevate your lives and bring more kedusha and bracha into your homes.

We wish TAG Chicago tremendous hatzlacha and we stand behind them as they commence the next stage of their development.

Ensuring technology is utilized correctly is vital and achievable.
