Brachos Party in 4th grade

ROSH CHODESH ADAR ALEF

🏠 3RD-5TH GRADE ACTIVITY

This month, the 3rd-5th grades continued working on ברכות הנהנין with Junior G.O. Mrs. Pam explained the importance and beauty of making ברכות out loud and answering אמן. The girls learned about the different ישועות to have in mind, and each girl received a beautiful bag with the foods to make ברכות: ושהכל, האדמה, העץ, הגפן, מזונות. Each class then held stunning ברכות parties, with everyone making ברכות out loud and answering אמן. May the thousands of ברכות and אמן's answered bring ישועות for all of כלל ישראל!

🏠 1ST-2ND GRADE ACTIVITY

On ראש חודש אדר א', the first and second graders enjoyed a fast-paced, exciting game of Purim musical chairs. Thank you Morah Weil for preparing and running this activity!

📍 THE GREAT MAGAZINE HUNT

In order to add more Jewish literature to our libraries, we will be collecting kid's magazines. If you have any of these magazines, or get them throughout the year, we would love to have them when you are finished enjoying them! We are looking for both old issues and current ones. Please help us grow our library and help us have more Jewish options to read. If you're able to help us, please have your daughter bring the magazines to school and give them to the front office. Thank you for your help!

We are looking for:

1. The Circle
2. Mishpacha Jr.
3. Binah Bunch / Binah Between
4. Aim
5. Kidalingo
6. Marshmallow

📍 BOXTOPS FOR EDUCATION

Just 3 ingredients:
PEANUTS • DATES • SEA SALT
(And a box top).

Be sure to clip it from the bottom of the box.

📍 SCIENCE PRESENTATION

Staff from The Walder Science Center came to school last week to show the students in 1st-5th grade experiments on oxygen and fire. The students exploded with excitement as they watched the chemicals interact! It was a Super Science Success and the students can't wait to see and experience more hands on science experiments within the classroom setting! Thank you Mr. Kark and Rabbi Walters for making this possible.

📍 EREV SHIRA UPDATE

The רוח of Erev Shira is pulsing through the hallways of JDBY. The fourth graders are working on their הברך presentation. The fifth graders are practicing their Shabbos choir and the sixth graders are rehearsing their Pintele Yid choir. The seventh grade ensemble is being perfected, and the eighth graders are working on props, dance, choir, costumes and drama. We look forward to greeting you, א"ה, on Monday, February 11 at Niles West. Tickets are available at the door.

BIRCHAS TANCHUMIN

The JDBY-YTT family extends our heartfelt birchas tanchumin to the family of Mr. Gilbert Gerzfeld z"l upon his recent petira. Mr. Gertzfeld was a past president of our school for many years and in that capacity was extremely devoted to the nurturing and success of all of our talmidim. During the shiva it was noted that Mr. Gerzfeld enjoyed frequently visiting the classes in our Yeshiva and Bais Yaakov and offering prizes for successful learning, particularly mishnayos. He wanted to give the children recognition and help them feel great accomplishment.

YOU'RE INVITED!

Please join JDBY-YTT in Experiencing Generations at our New Annual Event on Sunday, March 3, 2019 at the Crowne Plaza O'Hare! Come and experience JDBY-YTT's spirit of innovation in chinuch at an interactive multimedia exhibition. Focus On... Sleep Part 1 of 4

Sleep plays an important role in all aspects of life, from physical health to mental well-being. Studies have shown that between 2012 and 2015, there was a **22% jump** in the number of teenagers sleeping less than seven hours a night. Further research has found that **increased smartphone usage** leading into bedtime correlates strongly with going to sleep later, taking longer to fall asleep and **poor sleep quality**.

Over the coming weeks, we will discuss why this is so and what practical steps we can take to reverse the trend.
