## 6<sup>TH</sup> MOTHER DAUGHTER BAS MITZVA EVENT

Mazel tov to our sixth grade Bnos Mitzva! Our elegant JDBY ballroom was bedecked with stunning tablecloths, elegant centerpieces and a sumptuous dessert buffet. Mrs. Priva Piller, noted Mechaneches, inspired the audience. Our sixth graders performed in a moving choir followed by a slideshow and video presentation. They also displayed the ליט מלאות that they learned throughout the year. May the Chashivus of the evening carry our girls forward as they embrace this special milestone. Thank you to our 6th grade moros, Miss C. Mandel, Mrs. E.M. Meystel and Mrs. R. Schwartz for preparing the girls so beautifully and Mrs. Chumi Friedlander for the magnificent decor.

## 7<sup>TH</sup> 7TH GRADE SPRINGFIELD TRIP

The seventh grade went on their greatly anticipated field trip to Springfield, Illinois. Although rain was in the forecast, we were extremely thrilled to have enjoyed beautiful weather. The students visited New Salem Village, Abraham Lincoln Memorial Museum, the Lincoln family neighborhood and of course we made a very IMPORTANT stop at the gift shop. The trip wasn't complete without some time picnicking at a rest stop for dinner while playing a game of machanayim. Thank you to our wonderful Chaperones: Miss Berkowitz, Mrs. Friedman, Ms. Goldsmith, Mrs. Bassman and Mrs. Wechsler. Special הכרת הטוב is extended to Ms. Goldsmith who went at 5:00am to pick up the bagels. A great time was had by all. Another successful year, ב"ה.

## 5TH 5TH GRADE SCIENCE FAIR

The 5th grade Science Fair was held last week on Thursday, June 3rd. Parents and grandparents were treated to an outstanding array of scientific projects, illustrating a scientific principle, enhanced by creativity and originality. We applaud the hard work and diligence of every participant. Each and every girl did an amazing job. We want to thank Miss Friedman for all of her help and guidance. We also want to acknowledge and thank the parents who helped in a myriad of ways. Thank you all for making the 5th grade Science Fair the super success that it was! Please enjoy the pictures of the outstanding, creative projects and displays.

## ROSH CHODESH ACTIVITY IN THE PRIMARY GRADES

Grades K, 1 and 2 participated in a fun, action-filled ר'ח' game of musical chairs! Every time the music stopped, the girls who landed on the שד'ה that was picked, acted out something from that ח'ד'ש.

## 8TH 8TH GRADE MID-WEEK KIDDUSH

In celebration of our many 8th graders who went to shul for davening on Shabbos for numerous weeks, our 8th graders were treated to a delicious hot kiddush prepared by Mrs. Mandelbaum, Mrs. Pam and Mrs. Roberts in Mrs. Roberts' house.

## 7TH 7TH GRADE BENCHING SIYUM

One of the highlights in 7th grade is the Birkas Hamazon project in Beur Tefila. The girls have the opportunity to create their own bentchers, which include the actual text and translation of bentching, various explanations of the words, and kavana pointers - all put together in an artistic way. To mark the completion of this project, the girls enjoyed a special breakfast, played a review game and said Birkas Hamazon together using their bentchers. We hope that this limud will inspire more kavana in the girls' bentching for a long time to come.

## UNIFORM EXCHANGE

As the school year comes to a close, it is time to start thinking about uniforms again. Please consider donating your gently used uniforms to the exchange by calling Mrs. Krohn or dropping off uniforms at 6619 N. Richmond Ave.

Every girl is entitled to 2 skirts, 2 shirts, 2 jumpers and a sweatshirt based on availability. The Uniform Exchange has a nice supply of Junior High gingham blouses in ALL sizes. There are also many blue blouses, jumpers and skirts in sizes 6-18. Please call Mrs. Y. Krohn at 773-505-7613 to make an appointment.

## 2ND 2ND GRADE SIYUM ON PARSHAS VAYEIRA!

## 6TH 6TH GRADE CHILDREN'S BOOKS

Mrs. Kost's 6th grade social studies classes studied a unit on Australia. The 6th graders wrote and illustrated their own children's stories about Australian animals. On Monday, June 7th, the 6th graders visited the 1st grade classes and took turns reading their creative stories. It was an educational experience enjoyed by all!

## 3RD 3RD GRADE CHICAGO FAIR

3rd grade had a fabulous week. They completed the Chicago Fair and celebrated their Chicago Unit by going on the Wendella Boat!

## 3RD 3RD GRADE WENDELLA BOAT TOUR

## 8TH 8TH GRADE HOLOCAUST UNIT

The goal of our 8th grade Holocaust program was to promote historical knowledge of the Holocaust and to perpetuate its memory. The 8th graders read Mr. Izzy Starck's book, *A Boy Named 68818*, under the direction of their language arts teacher, Mrs. Tybi Ray. Upon completion of the book, Mr. Starck spoke to the girls about his experiences and answered all of their questions.

In order for the students to understand the context of Mr. Starck's novel, they were given background information which was taught across 6-7 sessions by Mrs. Chani Friedman from the Associated Talmud Torahs (ATT). Once the unit of study was completed, the information was reinforced with a trip to the Holocaust Museum. Mrs. Chani Friedman led the tours and focused on the aspects that were appropriate for our girls. We express our appreciation to Mrs. Friedman for teaching this important unit to the girls and for leading a tour for each of the 3 classes. We are also thankful to have received an Opportunity Scholarship from the Holocaust Museum donors which provided a subsidy for transportation and admission for our students and chaperones. This trip was a perfect conclusion to a very meaningful unit.

## 8TH GRADUATION TRIP

The 8th grade graduation trip was 2 days of non-stop fun and אודהות. On the first day the girls enjoyed visiting numerous attractions, a beautiful hotel stay, swimming, and yummy food. The second day was spent in Galena and ended with dinner at EJ's! A smashing success ה'ב! Thank you to our chaperones, Mrs. Roberts, Miss Piller and Miss Garfinkel and to Mrs. Kaufman, Mrs. Mandelbaum, Mrs. Pam and Miss Kaganoff for joining for parts of the trip. Thank you to our sponsors: Mr. and Mrs. Boruch Heinemann, Rabbi and Mrs. Yisroel Matzliach, Rabbi and Mrs. Moshe Rajchenbach, Mr. and Mrs. Marc Romanoff, Mr. and Mrs. Richard Sexner and Mr. and Mrs. Aharon Z. Singer. Thank you to Mr. and Mrs. Dovid Cheplowitz for bringing donuts at the onset of the trip.

## Jr TZNIUS FROM THE INSIDE OUT

The seventh and eighth grade girls have just completed a series of inspiring workshops, which took place during Sefira, with Mrs. Malke Morgenstern. The goal of the program was to strengthen the "inner core," and the workshops involved discussions and interactive activities aimed at building a foundation for the mitzvah of tznius. In the 7th grade, the students gained an awareness of the definition of tznius, as well as an understanding that it isn't merely a dress code, but rather an all-encompassing middah that can enhance their lives. In the 8th grade, hilchos tznius and the concept of "nichbadus" were introduced. During the course of the workshops, the students received treasure chest boxes where they inserted notecards and actual objects related to the classroom discussions. We hope they will enjoy this keepsake and truly treasure the lessons they learned.

## OWL ABOUT ME

Mrs. Dulin's students made Owl About Me posters as an end of the year project.

## BUS SAFETY TIPS

Please keep the following safety guidelines in mind when driving near school buses. We appreciate your partnership in keeping our students safe.

- If you're driving behind a bus, allow a greater following distance than if you were driving behind a car. It will give you more time to stop once the yellow lights start flashing.
- It is illegal in all 50 states to pass a school bus from either direction if it is stopped to load or unload children.
- The area 10 feet around a school bus is the most dangerous for children; stop far enough back to allow them space to safely enter and exit the bus.
- Be alert; children often are unpredictable, and they tend to ignore hazards and take risks.

## THANK YOU HASHEM!

Thanks to the extraordinary, round-the-clock efforts of Rabbi Shlomo Soroka and his team at Agudath Israel and a big dose of help from above, the STC program's 75% tax credit remains in effect for STC donations made through 12/31/2023, with STC awards continuing through the 23-24 school year. This is incredible news!

**Thank you** to Rabbi Soroka and the Agudah for making this a reality from inception to now, and hopefully into the future for many years to come.

**Thank you** to everyone who participated in the various grassroots efforts: sending emails and mailing typed and handwritten letters to legislators and making the trip down to Springfield to advocate for this crucial program as well as other issues of significant importance to our community. Your involvement made a real impact in the Illinois Capitol!

**Thank you** to the legislators who supported the program in Springfield.

With Hashem's continued help, we hope to enjoy many more future successes as well.

Have a good Shabbos,
