2ND 2ND GRADE SHAVUOS PLAY

On the Thursday before Shavuos, Morah Weiss's Kittah Beis performed an outstanding Shavuos play. The story of Megilas Rus was retold and acted out by our talented second graders. Costumes, props and songs really brought the story to life. Our 2nd grade Bubbies and mothers and our JDBY moros and talmidos enjoyed the play and shepped much nachas from our 2nd grade stars! Kol Hakavod Morah Weiss and Kittah Beis. Thank you to Morah Kreisman for all her assistance.

Jr TZNIUS FROM THE INSIDE OUT

The seventh and eighth grade girls have just completed a series of inspiring workshops, which took place during Sefira, with Mrs. Malke Morgenstern. The goal of the program was to strengthen the "inner core," and the workshops involved discussions and interactive activities aimed at building a foundation for the mitzvah of tznius. In the 7th grade, the students gained an awareness of the definition of tznius, as well as an understanding that it isn't merely a dress code, but rather an all-encompassing middah that can enhance their lives. In the 8th grade, hilchos tznius and the concept of "nichbadus" were introduced. During the course of the workshops, the students received treasure chest boxes where they inserted notecards and actual objects related to the classroom discussions. We hope they will enjoy this keepsake and truly treasure the lessons they learned.

K KINDERGARTEN KABOLAS SIDDUR

The entire JDBY family celebrated the Kindergarten Mesibas Siddur this week with tremendous simcha! It was inspirational to listen to the kindergarten girls sing about תפילה and the אמהות and how they are taught to follow in the ways of Sara, Rivka, Rochel and Leah. Every girl received her own personalized סידור to cherish for a lifetime.

3RD CHICAGO FAIR

The 3rd grade classes had their Chicago Fair on Tuesday, June 4th. After studying a social studies unit about the city of Chicago, the girls were very excited to share what they learned with their parents, guests, and student body. The 3rd graders created display boards of Chicago's sights and major attractions. The girls dressed the part by coming to school with imaginative costumes that showcased their topics. Their creativity and hard work were noticed by everyone! The girls also enjoyed their trip on the Wendella Boat ride, Wednesday, June 5th. This was their culminating activity which contributed to their overall knowledge and appreciation of our great city.

7TH 7TH GRADE SPRINGFIELD TRIP

The seventh grade went on their greatly anticipated field trip to Springfield, Illinois. They visited the Lincoln family home, the Lincoln Family Tomb, the State Capitol building, Abraham Lincoln Memorial Museum, New Salem Village and of course they made a very IMPORTANT stop at the gift shop. Thank you to our wonderful Chaperones: Mrs. Goldsmith, Mrs. Muschel, Mrs. Berger, Mrs. Rowner, Mrs. R. Schecter and Mrs. R. Shulman. Special hakoras hatov is extended to Mrs. Denise Friedman who came to assist Mrs. Wainhaus at 5:00am and to Mrs. Nechama Liba Weinberg who went at 5:00am to pick up the bagels. We had a great day with beautiful weather. Another successful year!

3RD WILD WEATHER IN 3RD GRADE

Mrs. Moalem's class has completed a science unit on "wild weather." Each group presented a type of weather to the entire third grade!

1ST SCIENCE IN MRS. DULIN'S 1ST GRADE

NURSERY CORNER

הכנסת ספר תורה

In honor of learning the letter ת, the Nursery had a mock הכנסת תורה. ספר תורה. The ילדים made their own flags, torches, signs, and or instruments for their band. They were extremely creative and enthusiastic with all the preparations. They danced under the חופה and sang "שאו שערים" as they put their ספר תורה in the ארון קודש (their cubby). As a treat, they made mini ספרי תורה out of winkies.

TRANSITION DAY

Last Wednesday, the boys and girls were invited to visit the Pre-1A and kindergarten classrooms. The boys walked to YTT where they met Rabbi Muller and the Rebbeim and took a tour of the classrooms. The girls went by bus to the kindergarten classrooms where they met the Moros and toured the classrooms as well. Morah Wainhaus welcomed the girls to JDBY and gave out popsicles. Mazel tov!

SEGULAH ACTIVITIES

The culminating Segulah activity was a resounding success. We are proud of the close to 100 percent participation on the part of the girls! On Rosh Chodesh Sivan, 1st-3rd grades bounced and jumped and ran and slid on the exciting bounce houses and obstacle courses that were set up as a grand finale activity for our special Segula program.

Grades 4-8 took an amazing trip to Altitude. For over an hour, the girls jumped, bounced and flew across the Altitude trampolines. The staff at Altitude was impressed with the refinement of our girls; of the hakoras hatov they expressed and of the way the girls left the grounds clean. A great time was had by all!

8TH HOLOCAUST UNIT IN 8TH GRADE

The goal of our 8th grade Holocaust program was to promote historical knowledge of the Holocaust and to perpetuate its memory. The 8th graders read Mr. Israel Starck's book, [A Boy Named 68818](#), under the direction of their language arts and history teacher, Mrs. Tybi Ray. Upon completion of the book, Mr. Starck spoke to the girls about his experiences and answered all of their questions. In order for the students to understand the context of Mr. Starck's novel, they were given background information which was taught across 6-7 sessions by Mrs. Chani Friedman from the Associated Talmud Torahs (ATT). Once the unit of study was completed, we wanted to reinforce the information that the girls learned. This was done with a trip to the Holocaust Museum in Skokie on Thursday, June 6th. Mrs. Chani Friedman led the tour and focused on the aspects that were appropriate for our girls. We express our appreciation to the ATT and especially to Mrs. Friedman for teaching this important unit to the girls and for leading the tour. We are also thankful to have received an Opportunity Scholarship from the Holocaust Museum donors which provided a subsidy for transportation and admission for our students and chaperones. This trip was a perfect conclusion to a very meaningful unit.

7TH 7TH GRADE MESIBAS IVRIS

בכתה ז, היתה לנו מסיבה מיוחדת: מסיבת סוף השנה בעברית. במשך השנה הבנות השקיעו מאמץ רב ולמדו כשלוש מאות מלים ובטויים. במסיבה, הבנות "התחפשו" ועשו כל מיני קישוטים להדגים את מה שלמדנו. מאד נהנינו!

The seventh grade enjoyed an end of the year עברית מסיבת. Over the course of the year the girls have learned and mastered nearly 300 words and expressions. The girls dressed up and made all sorts of decorations to depict what we learned.

JDBY LIBRARY NEWS

🏠 THANK YOU

Joan Dachs Bais Yaakov students and staff would like to thank Mrs. Aliza Olswang and her hardworking committee for providing library services throughout the year. We have tremendous hakoras hatov to our library volunteers: Mrs. Stacy Spielman, Mrs. Suri Garfinkel, Mrs. Donya Weldler, Mrs. Leah Wachs, Mrs. Chani Schlessinger, Mrs. Mimi Mandelbaum, Mrs. Rochel Leah Franks, Mrs. Chana Tzivia Elbaum, Mrs. Chana Ehrman, Mrs. Rivi Unger and our beloved Book Doctor Mrs. Syril Ann Goldman. The girls have grown in their reading and learning due to Library. Thank you and we are looking forward to the next school year.

3RD LIBRARY LICENSES

3rd graders are excited! They finally received their Library Licenses after 8 lessons learning about Fiction/Non-Fiction, Dewy Decimal System, and Call Number- "Upstairs" and "Downstairs"- what the numbers or letters represent. If they keep their Licenses in a safe place over the summer, they will bring them to Library and receive an extra book for checkout. They can use their Licenses every time they go to Library through 8th grade. Congratulations Third Grade!

🏠 REMINDERS

Please remember to return all library books to the library or school office by Tuesday, June 18. There will be a fine of \$1.00 per book past that date. All eighth graders need to settle their accounts. They need to pay their late fee (if needed) or return their books. If they did not settle their accounts by the first day of Library the next school year, their siblings will not be able to checkout books. If you have any questions, please call Mrs. Aliza Olswang (773) 350-2327 or email aolswang@jdbyytt.org.

🏠 MYSTERY READER

"Is there a Mystery Reader today?" This is the common question the first and second girls ask when they walk into the library. This school year was full of wonderful mothers, fathers, grandmothers, grandfathers and even siblings who visited the JDBY Library. The girls enjoyed guessing who the Mystery Reader was by voice. Thank you to all the Mystery Readers and remember you can get Give or Get. Please call or email thankyou@jdbyytt.org to receive your Give or Get, just mention you were a Mystery Reader. Looking forward to next year! I wonder who will be the next Mystery Reader?!?

1ST 1ST GRADE TRIP TO THE PEGGY NOTEBAERT NATURE MUSEUM

The first grade went on a fun and educational trip to the Peggy Notebaert Nature Museum. The girls had so much fun playing with the water systems, letting butterflies land on their fingers and seeing how animals look up close. They even got to see a real butterfly come out of its chrysalis! The girls had a great time!
