5TH HASCHOLAS GEMARAH

Our 5th grades - 3 of them! - had the zechus to begin learning gemorah! What a special occasion it was! Over 100 fathers and grandfathers came on Sunday to join in this momentous occasion! The Rosh HaKollel and Menahel spoke words of chizuk and bracha and then the boys sang together Vezakeini. There was an exalted feeling of kedusha in the bais medrash as together - children and adults - davened for hatzlacha in their learning.

EREV SHABBOS CHOLENT

Mr. Rosen, the proud sponsor of our erev Shabbos cholent making sure everything tastes just right for his boys! We thank Mr. & Mrs. Rosen for graciously sponsoring the first 10 weeks of our cholent treat.

PROFESSIONAL DEVELOPMENT

Rabbi Dr. Shmuel Mandelman, a renowned neuropsychologist and consultant to the Al Pi Darko program, came to YTT for a professional development day. He gave two intense training sessions regarding the nature of gifted intelligence, identification and strategies in working with gifted students. The Rebbeim enjoyed a delicious fleishig lunch. The administration had the unique opportunity to then spend several hours in consultation with Rabbi Dr. Mandelman. It was a very exciting day. Thank you Rabbi Dr. Mandelman for taking the time from your busy practice to spend the day with us. We look forward to having Rabbi Dr. Mandelman join us again in the future.

Parents. What a seemingly simple sounding and so often used title. Yet as we are all so well aware, it is far from a simple and typical responsibility.

Our children are the greatest gift we have. We have been entrusted to nurture, foster and develop our children into *ehrliche Yidden* and upstanding citizens. What an awesome *zechus* - yet a far from easy task to accomplish!

As we strive each day to build the individual *nefashos* of our children and ensure the continuity of our Nation *bederech Yisroel*, the challenges and decisions we face in raising our children in today's generation can at times be daunting and quite overwhelming.

We are proud to inform you that in collaboration with the **ATT** our school has partnered with **Torah Umesorah** in bringing to our parent body a four part parenting series presented by renowned *chinuch* professionals who will enlighten us with different ideas and perspectives to help us navigate through the tremendous responsibility of parenthood.

We beseech each and every parent to do their utmost to attend these sessions, as they are so vital in assisting us in becoming the best parents we can be.

Your children deserve it.

Please see the enclosed flyer for venue times and dates and mark them on your calendars. JDBY-YTT will be offering Give or Get to all participants! Each parent who attends a session will receive $50 Give or Get **per session** ($100 a couple!). If both parents attend at least 3 out of the 4 sessions an additional **$100** will be applied to the families account.

We look forward to seeing you there as together we build a better future for our children!
