

**JDBY-YTT BUSING REGISTRATION 2026-27**  
**Registration Deadline: Tuesday, July 28, 2026 • 5:00 PM**

---

We are pleased to open bus registration for the 2026-27 school year. **New this year: Bus registration will only be available to families who have completed registration and all medical requirements.**

In order to be able to enroll riders and prepare routes, registration for bus service will close at **5 PM on Tuesday, July 28th**. Your enrollment is a full-year commitment, and there will be no refunds. If you register after July 28, there is a non-refundable \$100 late fee per family, and you will be added to the waiting list.

We are happy to share that Agudath Israel of Illinois is pleased to once again administer state grant funding through the Transportation Voucher Program to help offset school transportation costs for students in grades K-8. With much siyata d'shmaya, AIOI was able to significantly increase the state funding for the 26-27 school year, and accordingly, the voucher amount is being increased significantly as well. We are grateful for all AIOI's efforts in making this happen.

For the 26-27 school year, AIOI is offering a voucher covering up to \$950 of transportation costs per route. Grant regulations restrict the voucher's use to actual transportation costs only; it may not be applied toward any ancillary or administrative costs. We anticipate that the voucher will fully cover the cost of actual transportation, and we will only be charging \$150 per route to cover the school's and AIOI's ancillary and administrative costs, which cannot be covered by the grant.

To receive vouchers, parents must complete a separate, short online Transportation Voucher Application from AIOI to receive a **unique voucher code for each child, per route**, before registering for busing on the school's portal. Once you have the voucher codes, you can register on the school's portal, where the voucher code must be entered to receive the subsidized price. Once verified by AIOI, the cost will be only \$150. Please note that without a valid voucher code, the full cost (\$915 per route) will be charged. The same application can be used for multiple children across all schools participating in the AIOI busing subsidy program. Go to <https://7jszg7qssr.zite.so/> for the AIOI Transportation Voucher Application. For any issues or changes to your voucher application (such as adding a student or route), please email [busing@agudahil.org](mailto:busing@agudahil.org). **This subsidy voucher is available equally to all families in the school, with no income eligibility requirements.**

**JDBY** will have AM and PM Busing. The JDBY Administration stipulates that the buses should arrive at school 15 minutes before school start time. JDBY AM buses will need to arrive by 8:25 AM. This will be taken into consideration when making routes and estimated pick-up times.

**YTT** will have morning busing for both Minyan students and at 8:30; YTT PM busing will include the 3:45 and 4:30 dismissals, as well as Friday dismissals. Busing for the YTT summer program is included. If you would like bus service for when 6th grade minyan begins in November, you need to register on the school's busing portal **before July 28** to secure a spot. Enrollment after July 28 will incur a \$100 late enrollment fee and will be waitlist-only status. If you want to apply for a voucher for minyan busing, you must apply **now** and enter the voucher code on the school's registration portal. YTT busing will run Sunday – Friday, and JDBY busing will run Monday – Friday.

**There will be no Pre-Nursery or Nursery busing.**

Please note: Bus service is run by JDBY-YTT. Please do not contact Agudath Israel or the bus company with any questions or concerns, as they will not be able to assist you. **Register online at [busing.jdbyytt.org](https://busing.jdbyytt.org)**.
