OUR PARTNERSHIP

# Dear Parents of JDBY and YTT Students,

## **We won't be shy about it: we love our school.**

Our phenomenal parent body, our delicious and growing children, and, of course, our dedicated and loving teachers, faculty and administration.

They say it takes a village, and wow: it certainly does.

Between the three of us, we have many combined years as parents of JDBY-YTT students, and one of the wonderful things we've discovered is that partnering with the school doesn't just mean doing homework with our children.

## **It means**

- **Watching our children growing and learning**
- **Reaping nachas from milestones, plays and fairs**
- **And, best of all, getting to join in on some of the projects that make our children's school years so much more enjoyable for them (and ourselves!)**

At every age and stage, our jobs and involvement have shifted - sometimes doing things at home, sometimes getting involved in events, and sometimes doing jobs within the school building itself, but always, it is a privilege to be involved and do our part to add those special extra touches for our children and the staff.

**Our goal, as heads of the Women's Division,** is not just to get the jobs done, **but to help you be involved in the school in a way that**

- **Works for your schedule**
- **Sparks your interest**
- **Speaks to your strengths**

And that's why we are so excited to introduce you to the PartnerPoints program.

## Here's how PartnerPoints works:

First of all, have a good look at this booklet.

- **What do you like to do?**
- **What are you good at?**
- **What's easy for you?**
- **Where and when are you best able to partner through service in the Women's Division?**

We've got so many job options (old ones, new ones, and reincarnated ones!), with a range of PartnerPoint remuneration, so that whether you're

- **Having a popcorn/envelope-stuffing party with your friends**
- **Organizing bas mitzvah gifts for your daughter's class**
- **Visiting the school every week as a library volunteer**
- **Or getting a thrill from coordinating an appreciation brunch - there's a job there for everyone.**

**And, regardless of which job you choose, and how many PartnerPoints you rack up,**

**1PP = \$1 of Give or Get**

That means that with your PartnerPoints, you can fill your ENTIRE Give or Get obligation. Not too shabby, huh?

With this booklet, chock full of fantastic partnering opportunities, in your hands, you can earn your PartnerPoints in 3 easy steps:

1. **See a job that pulls at your interest? Register your Partnering Picks with the included sign up form, or on the JDBY-YTT website [jdbyytt.org/partnerpoints](http://jdbyytt.org/partnerpoints) (Pssst... Even if you're not 100% sure you'll be able to do it, sign up anyway - it's not a commitment, just a hand in the air!)**
2. **We'll contact you throughout the year to set you up with your job(s) so you can Partner.**
3. **Earn your PartnerPoints by completing your job(s) and emailing [partnerpoints@jdbyytt.org](mailto:partnerpoints@jdbyytt.org) to claim your points!**

And now, without further ado, let the Partnering begin!

**Your Women's Division Presidents,**

Mrs. Tamar Chinn, Mrs. Rena Schwartz, Mrs. Bracha Shuchatowitz

# PartnerPoints POINTERS

## **Sign up for any job you are interested in,**

and are capable of doing – even if you’re not 100% sure you’ll be available or able to do the job once the time to carry it out actually rolls around. We know you have no idea what’ll be happening around Chanukah when it’s still the summer; your signing up gives us a pool of names to pull from once we’re ready to give final job assignments.

While some jobs are chosen at the start of the school year, many are chosen on a rolling basis based on the events calendar – if you have not been contacted, please be proactive and reach out to Women’s Division at any time if there is a specific job that you’re really interested in!

## **All jobs are given for the current calendar year only**

and do not automatically rollover to the following year – but if you enjoyed your job and want to do it again, please let us know, and we will try to accommodate you whenever possible!

Family GOG Balance Statements are mailed out around winter break and summer break.

## **1 PartnerPoint (PP) = \$1 Give Or Get (GOG)**

If your GOG balance is low and you’re looking to earn more PartnerPoints – **DON’T WAIT!** Reach out to us, and we will try our hardest to find a fun, mutually beneficial way for you to partner with our school and our students!

## **GOG Obligation per Family: \$1500**

100% of all monetary donations to the school (including all Women’s Division sponsorships and ticket purchases!) are applied directly to your GOG balance.
