

Joan Dachs Bais Yaakov Girls' School
Supply List 2026-27 for Limudei Kodesh and Limudei Chol
שנת תשפ"ו

- Please note that Moros and teachers will ask their students to replenish their school supplies as needed throughout the year.
- Backpacks must fit into the lockers; therefore “wheelies” are not recommended.
- Every student, grades 1-8, is required to have closed back, rubber sole shoes (tie, strap, or Velcro) for physical education class.
- The school does not provide any medication for any child. Please supply your own over-the counter medication (i.e. Tylenol) if you want the school to administer if the need arises (see Parent Handbook for more information). Medication should be clearly labeled with the student's name and should be given to the school office. The school will make every effort to contact the parent when medication is administered.
- Any prescription medications must be clearly labeled with student's name and should be given to the school office. (See Parent Handbook for more information)

Thanks to a most generous, anonymous sponsor, we will once again be providing every student in grades 3-8 with a beautiful Yoman/Daily Planner.
